Hi again,

We received a demonstration from Kyger Creek today for the use of 257.103(f)(1), see attached. Can you please notify Ohio that we have received a demonstration from Kyger Creek. Also attached is a template email to use for the notification. Feel free to use me as the point of contact in the email to the state.

Let me know if you have any questions.

Thanks!

Subject: Submission of Demonstration for a Site-specific Alternative to Initiation of Closure Deadline for the Ohio Valley Electric Corporation's Kyger Creek Station

Mr. Huggins:

Attached below is the demonstration for a site-specific alternative to initiation of closure deadline being submitted on behalf of the Ohio Valley Electric Corporation's Kyger Creek Station. This submittal is being submitted pursuant to 40 C.F.R. § 257.103(f)(1) for the two CCR surface impoundments (South Fly Ash Pond and Boiler Slag Pond) located at the Kyger Creek Power Station, and is being provided for your review, consideration, and subsequent approval. Ohio Valley Electric Corporation will be reaching out separate from this email transmittal to arrange a meeting to discuss the attached demonstration in support of its review.

This email transmittal is being submitted to Kirsten Hillyer, Frank Behan, and Richard Huggins separately due to internal email server constraints. In addition, the demonstration will be posted to the facility's CCR Rule Compliance Data and Information website for reference. Notification of the placement of the demonstration on the CCR Rule Compliance Data and Information website will be provided to the Ohio Environmental Protection Agency's Director as a courtesy.

If you have any questions regarding this submittal, please contact either Mike Brown, Environmental, Safety & Health Director, at 740-289-7299, or myself at 740-289-7267.
